Looking To The Second Coming St. Matthew Chapter 24 verses 36 - 44

Introduction: The New Testament sees in the first coming of Christ as the fulfilment of the Old Testament hope, and in His second coming the completing of that hope. We who know Christ, experience here and now what He has accomplished by His death and resurrection. But all that He achieved will not be complete until He comes in glory. As St. Paul says in 1 Corinthians 13 verse 12, "*Now we see but a poor reflection as in a mirror, then we shall see face to face. Now I know in part: then I shall know fully, even as I am fully known*".

God's Time - Verse 36

- 1) What does this say about calculating the time of Christ's return?
- 2) Why is it important not to know the time of Christ's return?
- 3) What are you looking forward to most about the Lord's return?

God's Mercy and Judgement - Verses 37 - 41

- 1) How does recalling the flood strengthen our faith in the Lord's return?
- 2) What do we learn about the mercy of God?
- 3) What will the coming judgement be like?
- 4) What do we learn about the sudden and destructive nature of the Lord's return?

God's Warning - Verses 42 - 44

- 1) We are called to be watchful, how should this affect our daily life?
- 2) We are reminded to be prepared because the Lord's coming will be like "thief in the night". What do you think this means?
- 3) We are to be expectant, living each day as if it is our last. How should this change our lives and lifestyles?
